

Town of Champlain Swim Program

The Town of Champlain is once again offering a summer swim program. Due to renovations being done to the NCCS Highschool Pool, the swim program will take place at the Chazy Central Rural School. The program is available to students residing in the Town of Champlain (including Villages of Champlain and Rouses Point), who attended K-5th as of the 2021-2022 school year. **Weeks, sessions, and times will be assigned on a first come first serve basis as there is limited availability. Only sign up for one session per child.** The program will include both instruction and free time. The instruction is based on the Red Cross, Learn to Swim Program. Parents/guardians will get confirmation of participation by email, so please make sure you provide a functional email and write legibly.
